| A note from the founders

“Water has always been
part of *who we are*”

Hans grew up around harbours and boats from an early age, where life on and around the water naturally became part of everyday life. Maintaining yachts, improving them, and making sure everything was always perfectly prepared came naturally from the beginning.

Peter, founder of Hendricks Yachting, built his experience through years in yacht charter and owner services, developing a strong understanding of what yacht owners truly value. Not only performance and reliability, but an ownership experience that feels effortless, refined, and enjoyable in every detail.

Over the years, our shared passion for yachting evolved into something greater. We became increasingly drawn to the process behind ownership itself: selecting the right yacht, refining it to a higher standard, and creating an experience where everything simply feels properly taken care of.

That is what led to Yacht House.

Our vision is simple: to create a place where every aspect of yacht ownership is handled with care, technical understanding, and attention to detail. From carefully selected pre-owned yachts, refit-programs and signature refits to ongoing management, support, and aftercare.

We approach every yacht the way we always have: with precision, craftsmanship, and the ambition to continuously improve and refine.

Today, we work with owners who value quality, clarity, and thoughtful service. People who appreciate professionalism, discretion, and a personal approach.

We are not trying to do the most. We simply want to do things the right way. So that every moment on board feels effortless, familiar, and ready to enjoy. Yacht House, crafted for effortless ownership.

Peter Hendricks & Hans van der Laan

YACHT HOUSE

What drives us **YACHT HOUSE**

Yacht House exists to turn yacht ownership back into what it should be: enjoyable, effortless, and rewarding.

Through carefully selected pre-owned yachts, signature refits, and complete service in the South of France, we deliver confidence, quality, and comfort for owners who expect more.

YACHT HOUSE

Where we are heading **YACHT HOUSE**

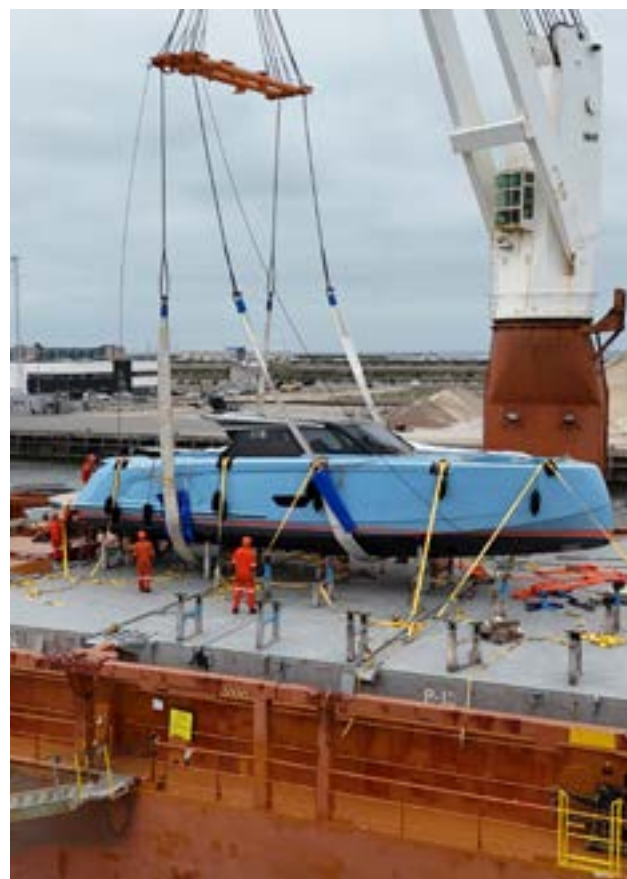

We envision a yachting world in which pre-owned ownership is defined not by compromise, but by trust, refinement, and complete peace of mind.

Yacht House strives to set the benchmark for how pre-owned yachts are selected, improved, serviced in the South of France, and experienced.

Complete service, signature *refit* & *pre-owned* yachts

The pay-off SERVICE REFIT PRE-OWNED captures exactly what Yacht House does and what the brand stands for: reliability, refinement, and service. Yacht House buys, sells, refits, and rebuilds luxury yachts for owners who value quality and peace of mind. We improve open day yachts and take care of everything surrounding the ownership and use of a yacht. That is how yachting becomes enjoyable again.

HOW WE DO IT

We select and inspect with care, refit with attention to both technical quality and visual refinement, and work through one clear and consistent approach. With short lines of communication and a single point of contact, we manage the entire process, from purchase and sale to upgrades, maintenance, and delivery.

WHAT WE PROMISE

A yacht that looks exceptional, performs as it should, and is ready to be enjoyed straight away. With service in the South of France that continues beyond delivery and a way of working built on trust, we make ownership feel effortless and bring the pleasure of being on the water back where it belongs.

Excellence in
every *detail*

YACHT HOUSE

PRE-OWNED

Luxury pre-owned open day yachts, carefully selected for their exceptional quality, provenance and refined presence.

REFIT

Refined upgrades and carefully considered enhancements to technical performance, finishes and onboard comfort, bringing the yacht back to an exceptional standard.

REBUILD

A rebuild goes beyond a refit, restoring a yacht to its very core with precision. Technically renewed, fully refined, and prepared to an exceptional standard.

SERVICE

A complete ownership service in the South of France, centred around discretion, convenience and continuity, with one dedicated point of contact for maintenance, planning and personal guidance.

Yacht House is equally defined by its exceptional aftercare, remaining closely involved with each owner well beyond the moment of purchase.

Turning
Pre-owned
into
perfection

Pre-owned doesn't mean second best
Through refit and service in the South of France, we elevate every yacht to feel like new

Dutch *craftsmanship*

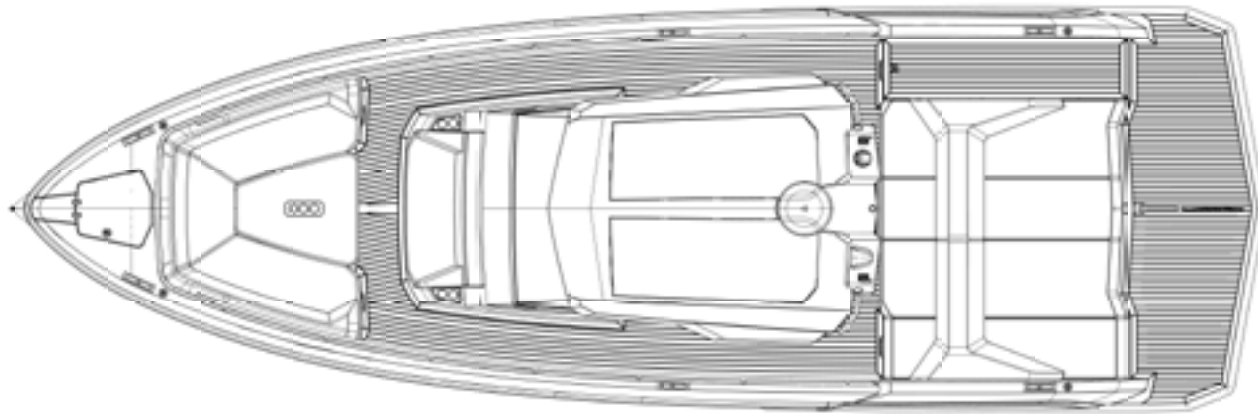

Yacht House is based at the prestigious Jachthaven Kortenhoef, a hub for boating excellence with direct access to the water. Every yacht receives the attention it deserves.

We work with the best experts across the country in every field, from cushions and upholstery to engines, maintenance, polishing, painting, complete refits, redesigns, and custom upgrades. Through trusted transport partners, we ensure every yacht reaches the right specialist, no matter where they are located, so every detail is handled with care and craftsmanship.

With Yacht House, you don't just own a yacht. You enjoy a seamless experience where expertise and luxury come together.

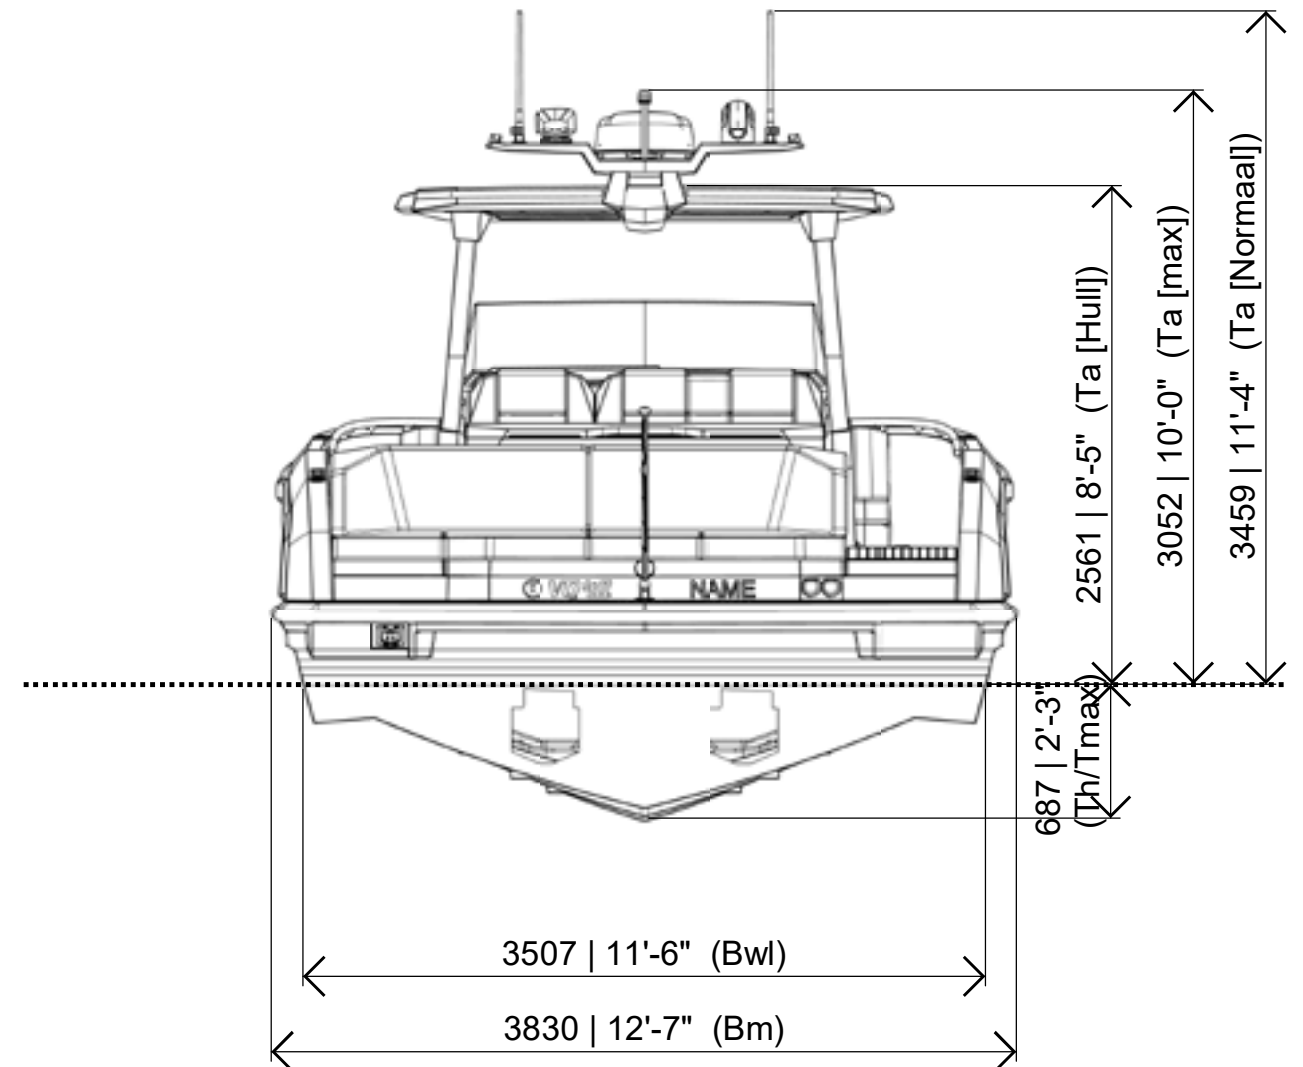

YACHT HOUSE

Back to the ***DRAWING BOARD***

The interior and exterior are fully redesigned and redrawn, bringing the yacht back to the contemporary appearance and quality standard of official manufacturers through a refit or rebuild.

Quality inspection & ***Refit assessment***

At Yacht House, every yacht begins with a thorough and carefully executed quality inspection. We assess the yacht in detail, both technically and visually, and document our findings with clear reports and supporting imagery. This gives a complete and transparent understanding of the yacht's current condition.

Based on this inspection, we provide a tailored refit proposal that fits the character and potential of the yacht. We advise on the most suitable upgrades and improvements, always balancing aesthetics, performance, and long-term value. Alongside this, we present a clear indication of the expected costs, so you know exactly where you stand.

Our quality checklist can include, among others, hull and paint condition, polishing and finishing, engine performance and technical systems, electrical installations, navigation equipment, upholstery and cushions, decking, interior detailing, and overall design refinement. We also assess opportunities for layout improvements, comfort upgrades, and visual enhancements to bring the yacht to a higher standard.

With this structured approach, we ensure that every yacht is not only carefully evaluated, but also guided towards its full potential, both in performance and appearance.

YACHT HOUSE

Signature *refit*

A refit at Yacht House is focused on carefully refining and enhancing an existing yacht, without major structural modifications. The objective is clear: to restore the yacht to a high standard in terms of appearance, comfort, and reliability.

As part of a refit, engines and technical systems are thoroughly inspected, damaged areas are professionally repaired, and components are renewed or optimised where necessary. This may include new cushions and upholstery, refined detailing on deck and within the interior, and the refreshment of both visible and functional elements.

This approach is more targeted and less invasive than a full rebuild, yet it delivers a clear and meaningful upgrade. The result is a yacht that not only looks more refined, but also feels more comfortable and performs with greater confidence, enhancing both the overall ownership experience and the yacht's value.

Signature *rebuild*

A rebuild goes beyond a refit, returning a yacht to its very essence. The vessel is fully stripped back, technically overhauled and rebuilt with the objective of achieving a result that feels virtually new in every respect.

From hull and engines to paintwork, decking and finish, every element is approached with precision and renewed where necessary. Visible and functional details alike are elevated to the highest standard, from upholstery and deck hardware to modern technical systems.

The result is a yacht that once again meets the highest standards of appearance, comfort and performance. Ready for a new chapter, with the quality, confidence and character expected from a carefully executed rebuild.

YACHT HOUSE

Service

Yacht House is not only a trusted Vanquish Pre-Owned Partner but also an Official Vanquish Service Partner in the South of France. From firsthand experience, we understand what yacht ownership truly requires: not only in terms of technical care and planning, but also in the continuous attention needed to preserve appearance, reliability and readiness for use.

That is why Yacht House has developed its own dedicated service programme, centred around quality, clarity and complete peace of mind. With one fixed point of contact, we oversee the full management of yachts up to 70 ft, from technical maintenance and preventive inspections to cleaning, presentation and seasonal preparation.

Through regular checks and close collaboration with trusted specialists, your yacht remains in optimal condition, retains its value and is always ready for use. Discreet, professional and fully taken care of.

Yacht House makes *ownership effortless*

AFTERCARE & OWNERSHIP SUPPORT

At Yacht House, our role does not end with the purchase or delivery of a yacht. In many respects, it is at that point that our service truly begins: guiding clients beyond handover, so they can enjoy their time on the water with complete confidence and peace of mind.

Our aftercare and ownership support is focused on the areas where we can truly guarantee our standard of service, with dedicated support available in the Netherlands and the South of France. Within these regions, we provide guidance in every area where specific knowledge and experience are required. This may include reflagging the yacht, selecting a suitable charter agency, appointing the right maintenance partners, and coordinating cleaning and day-to-day management.

We create clarity, take care of the practicalities and think proactively on behalf of our clients, ensuring that every detail is properly arranged and nothing is left to chance. Our role is that of a long-term partner: one who remains involved where it matters most, provides continuity and ensures that ownership feels effortless, enjoyable and entirely well supported.

Ownership evolves ***Our guidance remains***

RESALE & UPGRADE

When the time comes to sell or move on to the next yacht, Yacht House manages the process from start to finish. Because we know the yacht in detail, we can position it correctly and present it at the right value. We also advise clients on their next step, whether that involves a different type of yacht or a larger model. From acquisition and refit to resale, we guide the full ownership journey with continuity, expertise and discretion.

Every detail meets
our **high standards**

605 points **checklist**

At Yacht House, every yacht undergoes a thorough 605 point inspection in cooperation with Vanquish Yachts. We carefully assess functionality, quality, and appearance, ensuring that every system works flawlessly, every detail meets our high standards, and the yacht looks exceptional both inside and out.

This meticulous approach allows us to provide a clear and detailed report, giving owners full insight into the yacht's condition and guiding decisions for any refit or upgrade. With Yacht House, you can be confident that every yacht is prepared to the highest level of excellence.

Vanquish

Partnership with ***Vanquish Yachts***

Yacht House is proud to be the Official Pre-Owned Partner of Vanquish Yachts for pre-owned yachts and refit & rebuild projects, a collaboration built on shared values of craftsmanship, innovation, and excellence. In addition, Yacht House is the official Service Partner for Vanquish Yachts in the South of France, where we provide Marina Management and Yacht Care services for Vanquish clients throughout the region.

Together, we focus on bringing every yacht to its highest potential, combining Vanquish's pioneering design with Yacht House's expertise in restoration, upgrades, complete refit services, yacht care, and hands-on operational support. From technical coordination and cosmetic maintenance to marina management and daily yacht preparation, Yacht House ensures that every Vanquish yacht receives the attention, service, and precision it deserves.

We work closely with the same trusted suppliers, ensuring every component, material, and finish meets the highest standards. This collaboration allows us to exchange insights, spar ideas, and maintain consistency across all pre-owned, refit, and service projects. Each yacht benefits from this synergy, resulting in a seamless integration of Vanquish design and Yacht House precision, luxury, and flawless execution.

Through this partnership, clients gain unmatched confidence and expertise, knowing every detail is carefully considered, every decision informed, and every yacht maintained, restored, or upgraded to perfection. Together, we elevate Vanquish ownership to a standard where performance, style, service, and refinement coexist flawlessly.

YACHT HOUSE

Vanquish
Certified

Bold design, uncompromising performance, and craftsmanship brought together. That is exactly what Vanquish Certified stands for.

At Yacht House, selected pre-owned Vanquish yachts are carefully refreshed and refitted according to an extensive 605-point protocol. This process is built around four essential pillars: technical inspection, provenance and history, preparation and refit, and delivery including warranty and service in the South of France.

Choosing a Vanquish Certified yacht means choosing certainty, transparency, and a delivery standard that perfectly reflects both the brand and the high expectations of the luxury segment.

Refined by protocol
Delivered with
confidence

Vanquish Certified Pre-Owned is your confident entry into the Vanquish world. These are professionally maintained pre-owned Vanquish Yachts that have passed a structured inspection and validation process, carried out to Vanquish Certified standards. The result: proven technical reliability, documented history, and a yacht that still feels every bit like a true Vanquish.

Your advantage: verified safety, transparent history, preserved value.

Minor cosmetic imperfections and normal signs of use may be accepted, as long as they do not affect safety, reliability, or the overall ownership experience.

WHAT IS VANQUISH CERTIFIED PRE-OWNED?

A Vanquish Certified Pre-Owned yacht is not just any used boat. It is a pre-owned Vanquish that has been checked against a clear, factory-defined checklist. The focus lies on technical reliability, safety, maintenance history, functional systems, and preservation of value.

Every Certified Pre-Owned Vanquish carries documented proof of its condition and history, giving you clarity from day one.

The technical journey to the ***Certified Pre-Owned label***

Each Vanquish Certified Pre-Owned yacht is taken through a focused, inspection-led process. Five key areas are reviewed and documented, ensuring you know exactly what you are buying.

- 1. Documentation & History – full transparency**
- 2. Hull & Structure – integrity first**
- 3. Engines & Propulsion – proven performance**
- 4. Electrical Systems – ready to plug in and go**
- 5. Safety & Functional Systems – confidence on every trip**

WHEN DOES A YACHT EARN THE VANQUISH CERTIFIED PRE-OWNED LABEL?

Only after all critical checkpoints have successfully passed inspection can a yacht qualify for Vanquish Certified Pre-Owned certification.

For you, this means a carefully selected, professionally maintained Vanquish with clear documentation, verified safety, and preserved value – and the confidence that you are stepping on board a yacht that truly lives up to the Vanquish name.

Every

Vanquish standards

Pre-owned *yachts*

Buying a yacht should inspire confidence. That is why Yacht House selects pre-owned yachts with great care and a sharp eye for quality, history and technical integrity. It is not only about appearance, but above all about what lies beneath.

We guide both the purchase and sale of preowned yachts, always looking beyond specifications alone. Each yacht is assessed for condition, potential and market value, allowing clients to make decisions based on expertise, transparency and experience.

With years of experience in the yachting world, we know exactly where true value lies. Whether it concerns a stylish open day yacht or a model with refit potential, Yacht House offers personal guidance at every stage with a clear and considered approach.

VANQUISH CERTIFIED

Vanquish Certified represents carefully selected pre-owned yachts that meet high standards of quality, technical condition, appearance and reliability. Each yacht is professionally assessed, thoroughly inspected and refined where needed, ensuring it is ready for immediate use. In doing so, Yacht House shows that pre-owned can mean far more than simply used. It stands for clarity, confidence and a yacht that has been prepared with care for its next chapter.

MORE THAN SALES

Yacht House supports clients not only in buying and selling pre-owned Vanquish Yachts, but in everything that follows. As an official service partner in the South of France, we provide dedicated support for Vanquish owners who expect their yacht to be maintained, managed, and prepared to the highest standard.

From service and maintenance to refit, yacht care and marina management, Yacht House takes care of the details that make ownership effortless. We coordinate technical support, routine maintenance, cosmetic care, inspections, cleaning, and operational preparation, ensuring every yacht is ready for use whenever the owner steps on board.

With operations extending from the Netherlands to the South of France, we offer a personal and hands-on approach for Vanquish clients in the region. Our role is to give owners complete peace of mind, knowing their yacht is looked after with precision, reliability, and the same level of quality that defines the Vanquish brand.

Yacht House stands for confidence, comfort, and complete service in the South of France. Always personal, attentive, and focused on effortless enjoyment on the water.

Project showcase ***Vanquish VQ58 Fully Closed***

This Vanquish VQ58 Fully Closed underwent a comprehensive refit in 2024, elevating both her technical standard and overall presentation. From a full technical review to the complete cleaning and polishing of the vessel, every aspect was addressed with precision.

In addition, the engines were fully serviced, while the entire engine room was carefully inspected and professionally detailed. Finished with renewed antifouling, replaced anodes, and a complete cosmetic refresh throughout, she has been prepared to an exceptional standard. This Vanquish VQ58 Fully Closed now reflects the level of care, craftsmanship, and presentation associated with Yacht House.

Project showcase ***Vanquish VQ40***

This Vanquish VQ40 has undergone a comprehensive cosmetic refit, elevating her appearance with a refined and contemporary finish throughout. From renewed interior and exterior upholstery, updated lighting, and bespoke wall panels, to refinished paintwork, powder-coated details, and carefully restored fittings, every element has been upgraded with precision and care.

Completed with full polishing, ceramic coating, and a series of detailed aesthetic enhancements, she has been prepared to an exceptional standard, combining renewed elegance with the distinctive character of Vanquish.

Project showcase **Vanquish VQ45**

This Vanquish VQ45 underwent an extensive refit in 2026, enhancing both her technical integrity and overall presentation. From the removal of the original engines to the installation of new power units, every key element was handled with precision.

In addition, the yacht was fully reviewed from a technical perspective, with major servicing carried out throughout. Spot repairs to the paintwork restored her finish, while a new generator was installed to complete the upgrade. Delivered with a Vanquish Certified label and full document handover, she has been prepared to an exceptional standard.

Project showcase

Vanquish VQ50

This Vanquish VQ50 underwent a complete rebuild in 2026, transforming both her technical foundation and overall appearance to an exceptional standard. Stripped back to bare hull, every major component was removed, reassessed, and renewed, forming the basis for a yacht that feels entirely rebuilt from the inside out.

The engines were removed and sent to the dealer for a full overhaul, while the pods were professionally refurbished and all hydraulic systems replaced. The engine room was repainted, the electrical system was fully renewed, and a new generator was installed on board. In addition, the yacht received an entirely new interior, created with the involvement of professional stylists and interior architects, together with new upholstery, a new canopy, new interior finishes, new panels, a new dashboard, and refinished powder-coated details. Completed with multiple layers of new paintwork and a new cover, this Vanquish VQ50 represents a true full-scale rebuild, executed with precision, craftsmanship, and a clear eye for detail.

Charter services

Yacht House offers owners the opportunity to have their yacht professionally chartered in prime destinations such as the South of France. Through our strong relationships with experienced charter agencies, we guide the full process from placement to operation.

The agency arranges everything required for a successful charter programme, including berth selection, a dedicated captain, cleaning between charters, guest provisions, daily light maintenance, and the correct insurance and licences.

As structures may vary per agency, we guide owners in selecting the setup that best matches their wishes, usage, and financial goals. Chartering is an ideal solution for those seeking professional management, optimised costs, and additional return, without compromising on quality or ease of ownership.
