Design & Lifestyle

Vanquish VQ45

Built in 2025, ZERO DIX combines contemporary Vanquish design with a refined colour palette and a highly complete specification. Finished in Awlcraft SE Land Rover Otaga Stone with Superjet Black T-top detailing and Silverguard Safran upholstery, she presents a bold yet elegant appearance on the water.

Her open deck layout has been designed for effortless outdoor living, with generous lounge seating at the bow and midship, sunbeds forward and aft, and practical details such as carbon cupholders, a side boarding door and expansive walk-around decks. Foredeck shade is provided by a sun awning on carbon poles, while the automatic sun awning system integrated in the T-top enhances comfort throughout the day.

Below deck, the air-conditioned cabin offers a practical and stylish retreat, complete with a daybed, pantry, coffee machine, refrigerator and a refined bathroom finished with Dekton Laurent Natural and premium interior materials. Together with her IPS propulsion and extensive onboard systems, ZERO DIX is equally suited for relaxed day and weekend cruises.
